Canadian Association of Paediatric Nurses
c/o The Hospital for Sick Children
555 University Ave
Toronto ON M5G 1X8

Dear Bonnie:

Thank you for sending in your association's application requesting that Canadian Association of Paediatric Nurses (CAPN) become a member of Canadian Nurses Association's (CNA) Canadian Network of Nursing Specialties (the network) as an affiliate member.

The Network Advisory Committee (NAC) reviewed your membership application and recommend that CAPN be accepted as a specialty interest group within the network. The NAC also recommended that you be accepted as a network member versus an affiliate member since you meet all the required membership criteria.

I am the CNA liaison for the network and can be contacted at pelliottmiller@cna-aiic.ca or 1-800-361-8404 x523. Elizabeth Morin provides administrative support to the network and will be in touch regarding orienting you and Karen to the network. Elizabeth can be reached at emorin@cna-aiic.ca or 1-800-361-8404, x234.

As well, please find attached an invoice in the amount of \$226 for the network's membership fee. If you wish to pay by credit card, please contact Elizabeth with the necessary information or send a cheque, made out to the Canadian Nurses Association.

I wish to extend our best wishes to you and the members of CAPN's for your group's continued success, as well as for its future collaboration with CNA.

Sincerely,

A handwritten signature in black ink that reads "Patricia Elliott-Miller".
