

Membership Policy:

CAPN membership maintains a percentage of CNA membership congruent with current CNA by-laws.

Regular Members Category: Nurses (Registered Nurses, Registered Practical Nurses, Licensed Practice Nurses, Nurse Practitioners) registered in Canada who work with children in their practice and/or with an interest in Paediatric Nursing, shall be voting members of the association. Regular members who are CNA members may serve on the Board of Directors

Associated Members Category: Nurses living in other countries who work with children in their practice or other health care professionals with an interest in paediatrics. Associate members are not eligible to vote.

Student Membership Category: Includes those who show proof of fulltime enrollment in an accredited undergraduate nursing program in Canada. Students are non-voting members.

Honorary Member Category:

May be granted to any Regular member of the association who meets the following criteria:

- A. Active participation in CAPN and long standing membership warrants such respect, or
- B. Their contributions to paediatric nursing warrants such respect, and
- C. Their status as an Honorary Member is sanctioned by a vote of the general membership.

Honorary members receive lifelong membership in CAPN/ACIIP, free of the Association's usual fee and are eligible to hold office.

Paediatric Partner Member Category:

CAPN may be in partnership with other Interest Groups with interests in child and youth (paediatric) health. Each groups will be granted one (1) paid membership to CAPN. This membership will include exchange of newsletters and information. Partner memberships must be sanctioned by a vote of the general membership.
